## Policy Consultation & Review

This model policy is available on our school website and is available on request from the school office. We also inform parents about this policy when their children join our school and regularly thereafter through our school newsletter and other relevant opportunities.

We recognise the expertise our staff build by managing school attendance daily and we therefore invite staff to contribute to and shape this policy and associated attendance and safeguarding arrangements.

It has been drafted by Trafford's Education of Vulnerable Children Service, and reviewed and edited by Our Lady of The Rosary primary school to reflect its own specific requirements, such as pupil ages, and percentages of pupils with special educational needs. It follows the DFE Statutory Guidance Document, 'Working together to improve school attendance' (September 2024), whose principles and processes are set out on the following page. They can also be found here:

[Working together to improve school attendance \(publishing.service.gov.uk\)](https://publishing.service.gov.uk)

This policy will be reviewed in full by the Governing Body on at least an annual basis. It is due for review in September 2025.

## 1. Introduction/Aim

At Our Lady of The Rosary Primary School (OLOR) we believe that regular school attendance is essential if children are to achieve their full potential. We value the attendance of all pupils. Missing out on lessons leaves children vulnerable to falling behind and can put them at risk of wider harm. There is a wide range of evidence as to the health and wellbeing benefits of school-age education. Research commissioned by the Department for Education shows missing school for even a day can mean a child is less likely to achieve good grades, which can have a damaging effect on their life chances. As set out in this policy, we will work closely with families to identify the reasons for poor attendance and try to resolve any difficulties at the earliest opportunity.

# School Attendance Policy 2024

Our attendance policy aims to give clear guidance to staff, parents, pupils, and governors to:

- Support every pupil's achievement by establishing the highest possible levels of attendance and punctuality;
- Recognise the key role of all staff in promoting good attendance;
- Provide a clear framework for monitoring and responding to pupil absences;
- Make parents / carers aware of their legal responsibilities and ensure their children have access to the education to which they are entitled.

We recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on safeguarding, bullying, Relational behaviour and Regulation, and inclusive learning. This policy also considers the Human Rights Act 1998, the Equality Act 2010, UN Convention on the Rights of the Child, the DfE Keeping Children Safe in Education 2024 guidance, and other relevant legislation.

## 2. Legal Framework

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability, and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise. A child is of compulsory school age at the beginning of the term following their 5<sup>th</sup> birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

In line with 'Working together to improve school attendance' the government expects all schools and local authorities to:

- Promote good attendance and reduce absence, particularly severe and persistent absence;
- Ensure every pupil has access to full-time education to which they are entitled;
- Act early to address patterns of absence.

Parents are expected to perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly and punctually.

In accordance with the Education Act 1996, we will work with parents and carers and the Local Authority to ensure that parents are supported to secure education for children of compulsory school age. Where required, we will formalise support and where necessary, work with the LA to use legal measures.

A "Parent" is defined as:

- Any natural parent, whether married or not

# School Attendance Policy 2024

- Any parent who, although not a natural parent, has parental responsibility as defined in the Children Act (1989) for a child or young person
- Any person who, although not a natural parent, has care of a child or young person.

## 3. Safeguarding

At OLOR, we believe every pupil should be able learn in an enjoyable and safe environment and be protected from harm. We respect and value all children and are committed to providing a caring, friendly and safe environment for all our pupils so they can learn and participate in all school activities in a relaxed and secure atmosphere.

Attending school regularly promotes the welfare and safety of children whilst they are not in the care of their parents. Safeguarding is about offering early help and support to children and families, and difficulties with attendance and lateness may be signs that something is worrying the child or that there are difficulties in the home environment. Poor or irregular attendance, persistent lateness, or children missing from education may be considered a safeguarding matter if this places your child at risk of harm.

Safeguarding the interests of each child is everyone's responsibility and within the context of this school; safeguarding and promoting the welfare and life opportunities for children encompasses attendance, behaviour management, Health and Safety, access to the curriculum and anti- bullying, protecting children from abuse and neglect, online safety, radicalisation and extremism, FGM and CSE.

More information on safeguarding and the protection of children can be found in the school's Safeguarding and Child Protection Policy.

In order to allow us to safeguard the children in our care it is important that parents provide the school with their current contact details and provide at least three other contact numbers in case of emergency.

It is also important for parents to let school know of any specific vulnerability in relation to their child or home circumstances. If you are uncertain about what would be considered a vulnerability please speak with Hannah Groves, the Headteacher.

## 4. Roles and Responsibilities

At OLOR we believe that improving school attendance is everyone's business, and that it is a shared responsibility by governors, all school staff, parents, pupils, and the wider school community. Please contact

# School Attendance Policy 2024

The Attendance Officer will work to further develop relationships with families to bring about improved attendance. This may involve seeking multi-agency support. The member of staff responsible for attendance will support good attendance, respond to concerns, and promote improvement in attendance by:

- Rigorously monitoring and analysing pupil attendance data.
- Undertaking weekly attendance meetings with the Designated Safeguarding Lead, SENDCO, and other relevant staff members.
- Implementing the identified strategies for promoting excellent whole school attendance.
- Implementing the identified strategies for tackling unsatisfactory attendance.
- Managing individual pupil casework files.
- Coordinating individual attendance action plans for pupils causing concern including using the Emotionally Based School Non-Attendance (ESBNA) tool kit to identify issues early on, the instigation of a Family Help Assessment and Plan and/ or the implementation of an attendance contract.
- Ensuring first day calling procedures are adhered to if a child is absent from school without contact from parents.
- Taking an active lead in delivering whole school initiatives such as awards assemblies and reward schemes.
- Making referrals to appropriate external agencies.

## **School office staff will:**

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls/information from parents/carers to the Attendance Lead if needed in order to provide them with more detailed support on attendance

## **Parents are expected to:**

- Take a positive interest in their child's work and educational progress.
- Ensure their child has regular and punctual attendance at school.
- Instil the value of education and regular school attendance within the home environment.
- Contact the school if their child is absent to let them know the reason why and the expected date of return, following this with a note of explanation.
- Avoid unnecessary absences; for example, by making medical and dental appointments for outside of school hours and not taking term time holidays.
- Ask the school for help if their child is experiencing difficulties with any aspect of their schoolwork or home and family life.
- Inform the school of any change in circumstances that may impact on their child's attendance.

- Maintain effective routines at home to support good attendance.
- Attend all meetings requested to discuss attendance issues.

- Speak to their class teacher or another member of staff if they are experiencing difficulties at school or at home which may impact on their attendance.
- Attend all lessons ready to learn, with the appropriate learning tools requested and on time for the class.

## **5. Categorising Absence and Attendance**

When marking our registers, we will apply the national codes as outlined and regulated by the Department for Education guidance to accurately record and report attendance.

### **5.1 Medical Appointments and Absence due to Illness**

Parents should try to make appointments outside of school hours wherever possible. Where appointments during school time are unavoidable, we ask that a parent notifies the school in advance of the appointment wherever possible. The pupil should only be out of school for the minimum amount of time necessary for the appointment. In most circumstances, a child should not miss a whole day at school for an appointment. If a pupil must attend a medical appointment during the school day, they must come to the main office and sign the child out. No pupil will be allowed to leave the school site without parental confirmation.

In the majority of cases, absences for illness which are reported following the school's absence reporting procedures will be authorised without the need for parents to supply medical evidence unnecessarily. In line with Department for Education guidance, if we do have a genuine concern about the authenticity of the illness, we may ask the parent to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence. If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.

Where a child has an emerging a pattern of non-attendance, we will discuss the reasons for absence with the child's parent/carers. We will invite parents to attend a school-led Attendance Support meeting as an appropriate early intervention strategy. As part of this support, we may seek consent from parents and the pupil as appropriate to liaise with the child's healthcare professional.

Where a pupil has a verified and chronic health condition, we will aim to work with parents to ensure children have access to education and provide appropriate support in line with Supporting pupils with medical conditions at school and local authority

# School Attendance Policy 2024

information: [www.trafford.gov.uk/pupilabsence](http://www.trafford.gov.uk/pupilabsence). We will also consider whether an Individual Healthcare Plan is required.

## 5.2 Gypsy, Roma and Traveller pupils

Gypsy, Roma and Traveller (GRT) pupils are among the lowest achieving groups of pupils at every key stage in education, although some GRT pupils achieve very well at school. There are many complex and interwoven factors that may influence the educational attainment of GRT pupils. Schools and Local Authorities can make a big difference to their life chances through:

- Clear high expectation of all pupils, regardless of their background
- An inclusive culture that welcomes all communities
- Strong engagement from parents

In line with The Education Act 1996, Section 444(6) the school will authorise the absence of a pupil of no fixed abode who is unable to attend school because:

- the parent is engaged in a trade or business of such a nature as to require him to travel from place to place,
- that the child has attended at a school as a registered pupil as regularly as the nature of that trade or business permits, and
- if the child has attained the age of six, that he has made at least 200 attendances during the previous 12 months.

This provision applies *only* when the family are engaged in a trade or business that requires them to travel and when the child is attending school as regularly as that trade permits. In these circumstances, parents have a duty to ensure that their children are receiving suitable education when not at school.

When a family is trading or otherwise conducting their business in or around Trafford, if a family can reasonably travel back to their base school (see below) then the expectation is that their child will attend full-time. OLOR will be regarded as the base school if it is the school where the child normally attends when he or she is not travelling. However, the pupil must have attended in the last 18 months. Parents can register their children at other schools temporarily while away from their base school; in such cases, the pupil's school place here will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

To ensure we can effectively support all our pupils, we ask that parents:

- Advise the school of their forthcoming travelling patterns as soon as these are known and before they happen; and
- Inform the school regarding proposed return dates.

## 5.3 Modelling, Sport and Acting Performances/Activities

- The school will ensure that the parents of all pupils engaging in performances/activities which require them to be absent from school understand that they will be required to obtain a licence from the Local Authority which authorises the school's absence(s).

# School Attendance Policy 2024

- Where a licence has been granted by the LA and it specifies dates of absence, no further authorisation will be needed from the school.
- Where a licence has not been obtained, the Headteacher will not authorise any absence for a performance or activity.

## 5.4 Authorised and Unauthorised Absence

The decision to authorise absence is at the discretion of the Headteacher who will decide if the reason given by parents is a satisfactory explanation to authorise the absence.

Examples of unsatisfactory explanations include but are not limited to:

- A pupil's/family member's birthday.
- Shopping for uniforms.
- Appointments for hairdressing.
- Closure of a sibling's school for INSET (or other) purposes.
- An unwillingness to attend school, or inability to attend owing to inadequate personal/family organisation.
- A refusal to attend school on health grounds but where the pupil is considered well enough to attend.

We believe that children need to be in school for all sessions that the school is open to them so that they can make the most progress possible. However, we do understand that there are times where a parent may legitimately request leave of absence for a child due to 'exceptional circumstances'. At OLOR leave of absence requests must be put in writing and are only granted at the discretion of the Headteacher.

All absences associated with a holiday during term time, whereby the headteacher does not deem there to be an exceptional circumstance for absence, will be marked as unauthorised in the register.

Parents wishing to apply for leave of absence during term time must apply in writing to the Headteacher at least a month before the planned leave. Other than in emergency, if a written request for leave of absence is not completed and the leave is taken without a request being submitted, the leave will not be considered by the Headteacher, and it will be marked as unauthorised. OLOR will treat each application individually. Retrospective requests will not be considered and will result in the absence being categorised as **unauthorised**. In such cases the school may make a referral to the Local Authority to request that a penalty notice fine is issued or consider prosecution.

When absence is granted by the Headteacher, the parents will need to agree a date of return. If a pupil fails to return on the expected date and contact is not received from, or made with the parents, school will seek advice from Trafford Council. This could result in possible children missing from education procedures being instigated.

## 5.6 Use of Legal Interventions for Unauthorised Leave of Absence

A penalty notice request or a referral for prosecution may be submitted to Trafford Council should:

# School Attendance Policy 2024

- The parent fails to submit a leave of absence request in advance of taking the leave.
- An application for a leave of absence is not agreed by the Headteacher but is still taken.
- A longer period than the agreed number of days is taken.

In line with the Trafford Penalty Notice Code of Conduct, available at [www.trafford.gov.uk/pupilabsence](http://www.trafford.gov.uk/pupilabsence). Any parents known to have removed their child from school for the sole purpose of a holiday may be referred to Trafford Council for the issue of a penalty notice or prosecution if the leave of absence is unauthorised for 10 sessions (5 school days) or more. A penalty notice is issued to **each parent for each child**, the penalty being £160 per parent per child (discounted to £80 if paid within 21 days). Only 2 penalty notices can be issued to the same parent in respect of the same child within a 3-year rolling period and any second notice within that period will be charged at the higher rate.

The first penalty notice issued to a parent in respect of a particular pupil will be charged at £160 if paid within 28 days. This will be reduced to £80 if paid within 21 days.

In a case where the national threshold is met for a third time (or subsequent times) within those 3 years, alternative action will be taken which may include considering prosecution but may include other tools such as one of the other attendance legal interventions such as an Education Supervision Order.

## 6. Our Procedures

### 6.1 Register Keeping and Recording

The Education (Pupil Registration) (England) Regulations 2006, as amended by 2016 regulations, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session. The register must record whether the pupil was:

- Present
- Absent
- Present at approved educational activity or
- Unable to attend due to exceptional circumstances.

For the purpose of this policy, the school defines:

“Absence” as:

- Arrival at school after the register has closed.
- Not attending school for any reason.

“Regular” attendance as:

- Attendance at every session the school is open to pupils

An “authorised absence” as:

- An absence for sickness for which the school has accepted the reasons given.
- Medical or dental appointments which unavoidably fall during school time, for which the school has granted leave

# School Attendance Policy 2024

- Recognised days of religious or cultural observances for which the school has granted leave.
- An absence due to a family emergency or unavoidable cause

An “unauthorised absence” as:

- Parents keeping children off school unnecessarily or without reason
- Truancy before or during the school day
- Absences which have never been properly explained
- Arrival at school after the register has closed
- Shopping, looking after other children or birthdays
- Day trips and holidays in term-time which have not been agreed
- Leaving school for no reason during the day

## 6.2 Late Arrival at School

At Our Lady of the Rosary Primary all pupils are expected to arrive on time for every day of the school year. The school day begins at 8.40am. We advise all parents to ensure their child is on site prior to this – doors will open at 8.35am. The school register will be taken at 8.40am. All pupils arriving after this time are required to report to the main office with their parents, who will be expected to sign the late book and provide a reason for their absence. If their arrival is before 9.10am it will be recorded as late - L code (Late before the close of register).

The school register will officially close at 9.10am. The DfE advises that schools should close the register to pupils no more than **30 minutes** after the register was taken. All pupils arriving after this time will be marked as having an unauthorised absence for the morning session - U code (Late after the close of register). This is categorised as an unauthorised absence for the session. Parents will be contacted to discuss any patterns of late arrival. Repeated arrival after the close of registration will result in appropriate interventions being instigated and may also result in a Notice to Improve leading to the issue of a Penalty Notice (after 10 sessions of recorded unauthorised lateness) as a last resort.

Please note: L or U codes will be used if a pupil arrives after the close of the afternoon register for the PM session.

## 6.3 Expected absence procedure for parents:

A parent has a legal responsibility to ensure that their child attends school regularly. If a child is unavoidably absent from school parents are expected to contact school by telephone call on the morning of the first day of absence and on each subsequent day, identifying the reason for absence and the expected date of return. If no contact is received, then absence protocols will be instigated.

If a child is absent, the following actions will be initiated by the school:

- The first day calling procedures will be activated for all pupils who are not in school after close of register at 9.25am and where no reason for absence is known.

# School Attendance Policy 2024

- If there is still no contact made from the pupil's parents, a further telephone call home will be made again that morning. If no response can be gained, the child's named emergency contact will be contacted.
- If school cannot contact a parent or other emergency contact and are concerned about a pupil, a home visit may be carried out.
- School will telephone home if a pupil leaves the school without permission.

In cases of ongoing attendance concerns, school may, in line with Trafford's graduated Response for School Attendance:

- Visit the home of the pupil
- Write to the parents of a pupil to highlight attendance or punctuality issues
- Invite parents to discuss how school can support the family to make improvement
- Refer to an external agency/ support service to offer support, guidance, and advice
- Making a referral to Trafford Council through their education portal for joint enquiries to be made to establish the whereabouts of the child.
- Refer the matter to an appropriate external agency for multi-agency support, such as implementing an Early Help Assessment **or consulting with the Children's First Response team or the police, where there are safeguarding concerns.**
- As a last resort, when supportive strategies have not worked and the parent has failed to engage, refer to Trafford council to consider issuing a penalty notice, an Education Supervision Order or to consider prosecution when all other interventions have failed.

## 6.4 Staged approach to supporting regular attendance

At OLOR we monitor attendance data to look for any specific trends that may appear within a variety of cohorts, including year group and class as well as any vulnerability, including pupils with SEND and disadvantaged pupils. The Attendance Lead is responsible for this and for reporting to governors on any emerging trends – at both the School Community and within the Heads Report to the full governing body.

The Attendance lead, along with the Attendance Officer and with the help of all staff, will investigate any pupils who are on track to be persistently absent (PA) and will not wait until attendance is below 90%. Reporting will be done on a termly basis, but the Senior Lead will communicate more readily and when appropriate with the parents of children whose attendance is causing concern. This will be done via phone and with the guiding principles of 'Working together to improve school attendance' very much in mind, in listening and understanding and maintaining strong relationships with families.

## 6.5 Support

At OLOR we recognise that poor attendance can be an indication of other difficulties related to problems at home and or in school. Parents are encouraged to inform school of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, emerging

# School Attendance Policy 2024

health concerns. This will help the school identify any additional support that may be required.

We also recognise that some pupils are more likely to require additional support to attain good attendance. The school will implement a range of strategies to support improved attendance based on the individual needs and circumstances of the child.

Strategies, among others, we may use to support you may include:

- Working with Trafford Team Together and Family Help hubs as agreed and appropriate
- Offering elements of our graduated approach to social and emotional support, such as support from our ELSA, Drawing and Talking Therapy, Play Therapy, nurture groups, etc
- Working with SEND consultants, educational psychologists, therapists, etc
- Getting support from Trafford's pupil absence team

To plan the correct support, we will always invite parents and pupils to attend a meeting to discuss the concerns and devise a plan to support the child's regular attendance. Support offered to families will be child-centred and planned in discussion and agreement with both parents and pupils.

## 6.6 Severe and Persistent Absence

- **Severe absence** is missing 50% or more of schooling across the year for any reason.
- **Persistent absence** is missing 10% or more of schooling across the year for any reason. Over a full academic year this would be 38 sessions (19 days).

The attendance of all pupils at our school is monitored to identify children who are severely absent, persistently absent, or are at risk of becoming persistently absent. Where emerging concerns are identified we will instigate appropriate and timely interventions as outlined in the section above. Referrals may also be made to external agencies for targeted support.

## 6.7 Use of Legal Interventions for Severe and Persistent Absence

In line with the Trafford Penalty Notice Code of Conduct, where the parent fails to engage with supportive interventions and the pupil has 10 sessions of unauthorised absence within a rolling 10 week period, a **Notice to Improve** may be sent to each parent informing them that a request may be made to the Local Authority to pursue legal proceedings either through a penalty notice for parentally condoned absence, consideration of an Education Supervision Order, or prosecution in the Magistrates' Court. If no improvement in engagement or attendance is made within the stated period, a penalty notice request may be submitted to the local authority.

Parents found guilty in a Magistrates' Court of failing to secure their child's regular attendance at school under the provisions of the Education Act 1996, will receive a criminal record and a maximum penalty of a £1000 fine under a Section 444 (1) offence or a £2500 fine or up to a 3-month prison sentence, or a parenting order/ community order under a Section 444 (1a) offence.

## 6.8 Reduced timetables

# School Attendance Policy 2024

All schools have a statutory duty to provide full-time education for all pupils and we are committed to every child's right to a suitable, full-time education offer. In very exceptional circumstances, we may decide to implement a temporary, reduced timetable to meet a pupil's individual needs and only where it is safe to do so.

A reduced timetable will not be treated as a long-term solution and will have a time limit by which point the pupil is expected to attend full-time or be provided with alternative provision. We will never put a reduced timetable in place without written agreement from parent/carer and/or other professionals working with the family as appropriate. This intervention will only be used as part of a comprehensive package of support for the pupil; it will be reviewed regularly in partnership with the child, parent and any other relevant professionals working with the family.

Pupils absent from school and receiving remote education still need to be marked as absent in the register.

We will inform Trafford Council through the school portal of any reduced timetable we have put in place.

## 7. Deletions from the Register

At OLOR we will add and will only delete pupils from our school roll in line with the Pupil Registration Regulations. In most circumstances, we will know in advance about pupils leaving our school; this will be planned and discussed with the parent in advance of the pupil leaving. We will always work with families to gain information about the pupil's next school and/or address before the pupil leaves to reduce the risk of pupils becoming a child missing education through lack of shared information.

We follow Trafford Council's Child Missing Education procedures and ensure the local authority is informed of all removals from our school roll no later than the date the child is removed in line with statutory responsibilities. Where the location of a pupil is unknown we will liaise with Trafford's Pupil Absence Team so that joint reasonable enquiries can be made to ascertain the child's whereabouts and the pupil will remain on roll until those enquiries are exhausted.

If a child is removed from roll to home educate, we can only de-register the child if we receive, in writing, the parent's intention to educate their child other than at school. The pupil will be de-registered on receipt of such a letter and Trafford Council will be informed of the removal from roll as outlined above.
